We all go thru times where we get stuck. How we handle being stuck is a witness of our relationship and walk with God.

Tom Darby is an Elder at Branch Christian Fellowship and has been a follower of Jesus Christ for many years. Tom and his wife Susan came with the core group of people from Family Christian Center in Defiance, to start Branch. His leadership over the deacons has been vital to the establishment of the ministry. He now serves as Elder. An Elder is a minister to the church. That is, a servant to the people, helping them grow stronger in faith. Tom and Susan have a life motto that exemplifies the Christian attitude. "Be available and say YES". When God called Tom and Susan, they said Yes. And we are blessed that they did.

Are you stuck?
